## ANNUAL REPORT

OF THE

# ELECTION DEPARTMENT

FOR THE YEAR 1965

Boston, January 31, 1966.

HON. JOHN F. COLLINS,  
*Mayor of the City of Boston.*

SIR, — In compliance with section 24, chapter 3, of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

### REGISTRATION

In accordance with chapter 246 of the Acts of 1945, registration was held as follows:

At the central office from 9 A.M. to 5 P.M., Saturdays, Sundays and holidays excepted; from January 4 to September 1, inclusive; from September 22 to October 13, inclusive, and from November 3 to December 31, inclusive.

At the central office from 9 A.M. to 10 P.M.; on March 10 for the Special State Primaries in Wards 6 and 7; on March 31 for the Special State Election in Wards 6 and 7; on April 14 for the Special State Primaries in Wards 12, 14 and 18; on May 5 for the Special State Election in Wards 12, 14 and 18; on August 25, 26 and 31 and September 1 for the Preliminary City Election; on October 5, 6, 7, 8, 11 and 13 for the City Election; on

November 17 for the Special State Primaries in Ward 14, and on December 8 for the Special State Election in Ward 14.

At locations in public buildings in each of the twenty-two wards from 6 P.M. to 10 P.M.; on August 25 and 26 in one section of each ward, and on August 31 and September 1 in another section of each ward.

Mobile registration prior to the Preliminary City Election was held in three different units for four nights, from 6 P.M. to 10 P.M.; on August 27 at Humboldt avenue and Ruthven street for Ward 12, at Howard avenue and Quincy street for Ward 13, at Columbia road and Devon street for Ward 14; on August 30 at Warren street and Elm Hill avenue for Ward 12, at Howard avenue and Quincy street for Ward 13, at Blue Hill avenue and Columbia road for Ward 14; on August 31 at Blue Hill avenue and Winthrop street for Ward 8, at Townsend street and Codman park for Ward 11, at Blue Hill avenue and Georgia street for Ward 12; and on September 1 at Blue Hill avenue and Winthrop street for Ward 8, at Walnut park and Waldren road for Ward 11, at Blue Hill avenue and Waverly street for Ward 12. Two of the above units were supplied by the Public Works Department and one was supplied by this department. All registrars assigned were from this department.

Due to differences in dates as scheduled for registration at the locations in public buildings on August 25, 26, 31 and September 1, and the schedule for Mobile Registration for the Preliminary City Election on August 27, 30, 31 and September 1, it became necessary to keep the central office open on August 27 and 30 from 5 P.M. to 11 P.M., in order to receive and safeguard the registrations and equipment as returned to us on the above stated two nights. The central office was not open for registration on either of these two nights.

Mobile registration prior to the City Election: At a meeting on July 1, 1965, the Board of Election Commissioners, and coordinators of voter registration from the League of Women Voters agreed, that instead of using public buildings for registration of voters in each of the twenty-two wards, that a like number of

Mobile Units should be made available for such registration for the period preceding the City Election.

Through the cooperation of the League of Women Voters, the Greater Boston Chamber of Commerce, the Public Works Department, and others, twenty-two trucks of various sizes and accommodations were used for this purpose. These units were on location for six nights from 6 P.M. to 10 P.M., on October 5, 6, 7, 8, 11 and 13, and each unit was generally assigned to a different section in each ward for each of the six nights. The drive for new registrants was successful.

Future use of Mobile Units for registration purposes is advisable providing that consideration is given for the need of more space in which to work, safety for the public and the workers, adequate heat, light, ventilation and furniture.

Physically disabled: In accordance with the provisions of chapter 196 of the Acts of 1946, persons qualified to vote but unable to appear at a registration office because of a physical disability were examined in their homes or other places of confinement upon receipt of an application for such registration. Applications were received from 39 such persons. Of that number 14 were found to be qualified and were duly registered. It was found that 4 of the applicants were previously registered and on the voting lists. Persons so registered or on the voting lists were furnished with applications for absentee ballots for the City Election. 21 persons requesting such registration, either refused to be registered when visited or were found not qualified for such registration.

Supplementary registration of Federal Service Personnel: Under provisions of chapter 51, sections 50 and 51 of the General Laws certain persons were permitted to register during the period from the close of registration to the third day preceding the City Election. There were 4 such registrations in Boston.

Supplementary listings for registration of voters: Chapter 315 of the Acts of 1965 made it possible to supplementary police list any person applying for registration as a voter at any of the outside registration locations as well as in the central office. This added

to the duties of the outside registrars, and of necessity slowed up each registration.

Party enrollments at time of registration: Chapter 477 of the Acts of 1965 made it mandatory that at the time and place of registration the registrar must verbally inform each registrant that he may at the same time and place establish his enrollment in a political party by signing an appropriate form so provided. There were many such new enrollments, thus the registration and possible enrollment of each applicant is more time consuming.

#### NUMBER OF VOTERS

At the State Election, held on November 3, 1964, the number of voters on the list was 316,047. The number of such voters in the first list published by the Board September 1, 1965, was 283,564. From that time to the close of registration for the City Election there were added the names of 15,630 voters. Included in this latter figure are the names of 5,036 voters who were restored to the voting list without registration, under the provisions of chapter 244 of the Acts of 1947. The number of voters on the final list sent to the polls on the day of the City Election, held November 2, 1965, was 299,194, a decrease of 16,853 from the number on the list at the preceding State Election. The number of voters on the final list December 31, 1965, was 299,338.

#### NOMINATION PAPERS, REFERENDUM AND RECOUNT PETITIONS

A total of 86 persons declared their intentions for nominations to City offices — 62 for City Councillor, and 24 for School Committeeman; 29 of these did not file nomination papers; the remaining 57 candidates submitted 3,901 papers on which 94,074 names were checked; 28 candidates were certified for the office of City Councillor (2 of which withdrew after certification), and 16 candidates were certified for the office of School Committeeman; 1 initiative petition consisting of 23 papers, on which 603 names were certified; 81 nomination papers for the Special State Primaries in the Fifth

Suffolk Representative District, on which 1,906 names were certified; 325 nomination papers for the Special State Primaries in the Sixth Suffolk Senatorial District, on which 7,255 names were certified; 141 nomination papers for the Special State Primaries in the Tenth Suffolk Representative District, on which 2,645 names were certified; and 54 papers for the petitioning for recounts in all twenty-two wards for City Councillor after the City Election, on which 1,262 names were certified; making a total of 4,525 papers filed, on which the names of 107,745 voters were certified.

### RECOUNTS

A recount of the votes cast in the City Election for City Councillor in all twenty-two wards was held on November 8, 9, 10 and 11, 1965.

### REVISION OF THE VOTING LIST

The names of 4,131 voters were stricken from the voting list by reason of death, removal from the city, and other causes.

### JURORS

The jury list prepared by the Board in 1965 contained the names of 8,209 residents of Boston. During the time covered by this report 3,489 were drawn for jury service.

### ABSENTEE VOTING

Absentee voting applied to the City Election. Chapter 374 of the Acts of 1963 relative to examining, counting, canvassing and casting absent voter ballots made it necessary to set up a central counting place as no absent voter ballots were sent to the 275 precinct polling places. The examination of envelopes and affidavits was held in the central office on November 2, 1965, from 12 noon to 8 P.M. The actual counting of the absent voter ballots was held in the office of the Sealer of Weights and Measures, Room 105-106, City Hall Annex, from Tuesday, November 2, 1965, at 8 P.M. to Wednes-

day, November 3, 1965, at 2.30 A.M. After canvassing the votes cast in the 275 precincts was completed, it then became necessary to add to each precinct count the number of votes cast by absentee ballots in the central counting place. Set forth below are statistics relating to absentee ballots:
